

# Florence Art and Restoration Fair 2014

13-15 November, 2014  
Fortezza da Basso, Florence

The Fair will bring together over 300 institutions, private companies, schools and training organizations - active in the restoration, conservation and enhancement of cultural heritage - engaging in education and cultural events. The art and restoration fair provides opportunities to meet, network with and learn from commercial, scientific and cultural specialists in the field of restoration from around the world. The fair will be held at the Fortezza da Basso, a masterpiece of Renaissance military architecture.
